21Vianet Group, Inc. Announces Addition to Leadership Team

BEIJING, Feb. 05, 2018 (GLOBE NEWSWIRE) -- 21Vianet Group, Inc. (Nasdaq:VNET) ("21Vianet" or the "Company"), a leading carrier-neutral Internet data center services provider in China, today announced that Mr. Shiqi Wang has been appointed Co-CEO and President of the Company, effective immediately.

Mr. Wang will be responsible for managing the Company's daily operations, strengthening the Company's cooperation with its shareholders, including TUS Holdings Co., Ltd. ("TUS Holdings"), Kingsoft, Xiaomi, and Temasek, among others, and forging strategic partnerships with various external parties to provide additional support and resources for the Company.

Mr. Wang has been a frequent attendee of the Company's board meetings and has been actively involved in building the relationship between TUS Holdings and the Company as well as exploring potential synergies between the two. Mr. Wang currently serves as Vice President of TUS Digital Group, a subsidiary of TUS Holdings, and serves on the board of directors of Beijing CIC Technology Co., Ltd. (Ticker: 430109) and Guangzhou Tuwei Technology Co., Ltd. (Ticker: 833320). Mr. Wang has nearly 20 years of experience in the telecommunications industry, working at various renowned international companies, including 11 years with Ericsson, focusing primarily on strategy development and execution, corporate management, and equity investments. Mr. Wang received a bachelor's degree from Tsinghua University and an MBA from Peking University-Vlerick MBA Programme (BiMBA).

Mr. Steve Zhang, Chief Executive Officer of the Company, stated: "I am pleased to welcome Shiqi to 21Vianet's management team. Shiqi possesses a unique combination of expertise in the telecommunications industry, strong management ability, and vast investment experience. I am confident that he will take 21Vianet's strategic focus and operational optimization to the next level."

Mr. Josh Chen, Executive Chairman of the Company, stated: "Since May of 2016, when TUS Holdings made its strategic investment in 21Vianet, Shiqi has been in charge of all TUS Holdings post-investment management responsibilities towards 21Vianet, and has worked very closely with the Company's board of directors and core management team. He has a comprehensive understanding of both our Company and the IDC industry, and we believe he will provide considerable value to the Company going forward."

About 21Vianet

21Vianet Group, Inc. is a leading carrier-neutral Internet data center services provider in China. 21Vianet provides hosting and related services, cloud services, and business VPN services, improving the reliability, security and speed of its customers' Internet infrastructure.
