**21VIANET GROUP, INC.**

*(Incorporated as a limited liability company under the laws of the Cayman Islands)*

**Announcement of (i) Offer in respect of the outstanding**

**US\$300,000,000 7.000% Senior Notes due 2020 (the “2020 Notes”, ISIN: XS1640517907: Common Code: 164051790) and (ii) Concurrent New Money Issuance**

March 29, 2019 – 21Vianet Group, Inc. (the “**Company**”) is inviting eligible holders of the 2020 Notes (“**Noteholders**”) to tender their 2020 Notes for purchase for cash (the “**Tender Offer**”) upon the terms and subject to the conditions set forth in an offer to purchase (the “**Offer to Purchase**”) dated March 29, 2019. The 2020 Notes are listed on the Singapore Exchange Securities Trading Limited. The terms of the Tender Offer are more fully described in the Offer to Purchase, copies of which may be obtained from the Tender Offer Website (<https://sited.dfkingltd.com/21vianet>), subject to eligibility confirmation and registration.

Concurrent with the Tender Offer, the Company also announced that it intends to conduct an international offering of USD-denominated senior notes (the “**New Notes**”) and will commence a series of fixed income investor meetings beginning on April 1, 2019 in Hong Kong and Singapore.

**The Tender Offer**

Subject to the right of the Company to extend, re-open, terminate, withdraw or amend the terms and conditions of the Tender Offer (at its sole discretion), as described in the Offer to Purchase, the Company proposes to purchase for cash an aggregate principal amount of the 2020 Notes which is up to but no more than the aggregate principal amount of New Notes issued pursuant to the Concurrent New Money Issuance (the “**Maximum Acceptance Amount**”) on the terms and subject to the conditions contained in the Offer to Purchase. The Company is expected to announce the Maximum Acceptance Amount concurrent with the announcement of the results of the Tender Offer. The Maximum Acceptance Amount may be increased or reduced at the Company’s sole discretion. The Company reserves the right, in its sole and absolute discretion, to purchase the 2020 Notes in excess of or below the Maximum Acceptance Amount, or to not purchase any 2020 Notes, subject to applicable law. For the avoidance of doubt, the Company may choose to purchase none of the 2020 Notes validly tendered and not validly withdrawn pursuant to the Offer to Purchase.

If the aggregate principal amount of 2020 Notes validly tendered in the Tender Offer is greater than the Maximum Acceptance Amount, the Company intends to accept such tendered 2020 Notes for purchase on a pro rata basis such that the aggregate principal amount of such tendered 2020 Notes accepted for purchase (if any) is no greater than the Maximum Acceptance Amount. In such circumstance, the principal amount of 2020 Notes accepted for tender in the Tender Offer will be scaled back by a factor equal to (A) the Maximum Acceptance Amount, divided by (B) the aggregate principal amount of the 2020 Notes that have been validly tendered (subject to any adjustment following the rounding of tenders of the 2020 Notes). Each tender of 2020 Notes that is scaled back in this manner will be rounded down to the nearest US\$1,000 in nominal amount. If, after applying such scaling any Holder is left with less than the minimum denomination of US\$200,000 in aggregate principal amount of 2020 Notes, whether in 2020 Notes: (a) validly tendered and accepted; or (b) returned to a Holder as a result of pro-ration, the Company may, in its sole discretion, elect to not pro-rate such 2020 Notes and will either accept or reject all of the Notes tendered by such Holder.

The Tender Offer will expire at 5:00 p.m., London Time, on April 8, 2019, unless extended or terminated at the sole discretion of the company (such date and time, as the same may be extended or terminated, the “**Expiration Deadline**”).

In order to be eligible to receive the Purchase Price, Noteholders must validly tender their 2020 Notes for purchase by the Expiration Deadline, by submitting, or procuring submission of, a valid electronic instruction that is received by the Information and Tender Agent by the Expiration Deadline.

Capitalized terms used herein with respect to the Tender Offer but not defined shall have the same respective meanings when used in the Offer to Purchase.

Subject to the terms and conditions set forth in the Offer to Purchase, the Company is offering to pay the following in the Tender Offer:

<b>Title of Security</b>	<b>ISIN/ Common Code</b>	<b>Outstanding Aggregate Principal Amount(1)</b>	<b>Purchase Price(2)(3)</b>
7.0% Senior Notes due 2020	XS1640517907/164051790	US\$300,000,000	US\$1,006.25

- (1) Principal amount of Notes outstanding as of March 29, 2019.
- (2) Applicable to holders who validly tender and do not subsequently validly withdraw their Notes prior to the Expiration Deadline, being 5:00 p.m. London Time, on April 8, 2019.
- (3) Per US\$1,000 principal amount of Notes accepted for purchase.

Eligible Holders whose 2020 Notes are accepted for purchase pursuant to the Tender Offer will also receive accrued and unpaid interest from and including the last interest payment date on such purchased 2020 Notes up to, but not including, the Settlement Date (as defined below).

The Company expects to pay on April 16, 2019 (the “**Settlement Date**”) the Purchase Price and accrued interest for such 2020 Notes tendered and accepted for purchase prior to the Expiration Deadline.

Whether the Company will accept for purchase 2020 Notes validly tendered and not validly withdrawn is subject to the successful completion (in the Company’s sole determination) of the issuance by the Company of New Notes pursuant to the Concurrent New Money Issuance on terms satisfactory to the Company (in the Company’s sole and absolute discretion) (the “**New Notes Issuance Condition**”) and the other conditions set forth in the Offer to Purchase. There is no assurance that the Company will be able to successfully meet the New Notes Issuance Condition. Subject to applicable laws and as provided in the Offer to Purchase, the Company reserves the right, in its sole discretion, (i) to waive or modify in whole or in part any and all conditions of the Tender Offer, (ii) to terminate or extend the Tender Offer or (iii) otherwise to amend the Tender Offer in any respect.

The Company intends to fund the Tender Offer primarily with the net proceeds from the Concurrent Money Issuance and internal cash resources (if necessary).

### **The Concurrent New Money Issuance**

The Company is pleased to announce that it proposes to issue the New Notes to non-U.S. persons outside of the United States (the “**Concurrent New Money Issuance**”). The Company has mandated Credit Suisse and Barclays as joint global coordinators, joint bookrunners and joint lead managers in respect of the Concurrent New Money Issuance.

Completion of the Concurrent New Money Issuance is subject to market conditions and investor interest. If the New Notes are issued, the Company intends to use the net proceeds from the Concurrent New Money Issuance to refinance its outstanding offshore indebtedness, fund future capital needs and general corporate purposes.

The New Notes have not been, and will not be registered, under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), or any state securities law and, unless so registered, may not be offered or sold within the United States and may only be offered and sold outside the United States in offshore transactions in reliance on Regulation S under the Securities Act. Accordingly, the New Notes are being offered and sold only outside the United States in offshore transactions in reliance on Regulation S.

As no binding agreement in relation to the Concurrent New Money Issuance has been entered into as at the date of this announcement, the Concurrent New Money Issuance may or may not materialize. Investors and shareholders of the Company are urged to exercise caution when dealing in the securities of the Company. A further announcement in respect of the Concurrent New Money Issuance will be made by the Company should the purchase agreement in relation to the Concurrent New Money Issuance be signed.
